

NOW RESERVING

Assisted & Independent Living Apartments

Call Today 402-895-3932

We can't have people in the building yet, but we are scheduling **private meetings in May** for people interested in reserving an apartment!

During the meeting you'll have the opportunity to look over floorplans, pricing, apartment features, and the services and amenities that will be part of Brookestone Gardens. The meetings are designed for people who would be ready to move in shortly after the building opens in late July, or within the next couple of months following the opening.

BROOKESTONE GARDENS
