

Dear Residents, Families and Friends,

The holidays are almost here and we have been very busy here at Brookestone Gardens.

Foremost on our minds was what could we do to make it easier for families be able to see their loved ones during Thanksgiving, when there may be more families in town for the holidays. One thing that we do have control over is visiting hours, so we decided to ex-tend them on Thurs- Sunday, Nov. 25-28th. They will be from 8am - 8pm all four days. Please be aware that our visitation protocol is posted on our website under the "In the News" section and all of the current guidelines are listed there. We still have to practice social distancing so be mindful that in skilled nursing, no more than 4 people can visit in the room at a time. Hopefully the extended hours will help to let more family members see their loved ones over the holiday. Leadership will be taking turns manning the guest relations desk during those extra hours so we look forward to being able to see families as they come in.

We will continue to monitor the situation closely, and if there are any changes that allow us to loosen restrictions we will notify you of those changes via email and our web-site as soon as possible.

Angie, our dietary manager, has everything planned for our Thanksgiving Day Dinner which will be served to residents at lunch on Thursday. If you are bringing any family favorites for your loved ones, please be aware that they can eat it after visitors leave. While you are there you can certainly let the team members know if you need them to bring any utensils, drinks and etc. for the resident to use after you are gone.

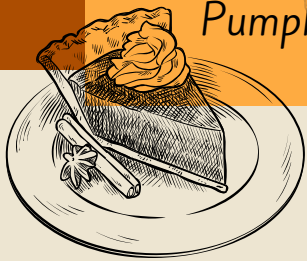

Have a Blessed Thanksgiving Holiday,  
Brookestone Garden Leadership

Today, in honor of Veteran's Day, we took some of the AL/IL residents to the dedication of the new Veteran's Memorial. It is an incredible tribute to the Veteran's, and the Kearney area community owes a debt of gratitude to the group of individuals who saw this enormous project through to fruition.

# Thanksgiving Dinner Menu

Turkey or Ham  
Sweet or Mashed Potatoes  
Dressing w/Cranberry Sauce  
Green Bean Casserole  
Corn  
Dinner Rolls  
Pumpkin or Pecan Pie

Cardio  
Drumming

Brookestone Gardens is happy to announce that Lacie Frazho has returned to our facility as our Director of Nursing. Lacie was our DON when we originally opened in 2019, and helped guide us through the most difficult times of the COVID-19 pandemic. She has a wealth of knowledge in the field of nursing and senior care. Lacie was also instrumental in our success in achieving a 5 star rating from the Centers for Medicare and Medicaid Services. Lacie and her husband, Zack live in Elwood with their 5 children. Please help us to welcome Lacie back to Brookestone Gardens.
