

MERRY CHRISTMAS

Merry Christmas and Happy New Year to our Brookestone Gardens family! We hope you enjoy the holiday season and wish you and your family a safe and healthy New Year!

Thank you for allowing us to care for your loved ones.

Katelyn Ziebarth

4th Annual Holiday Light Festival

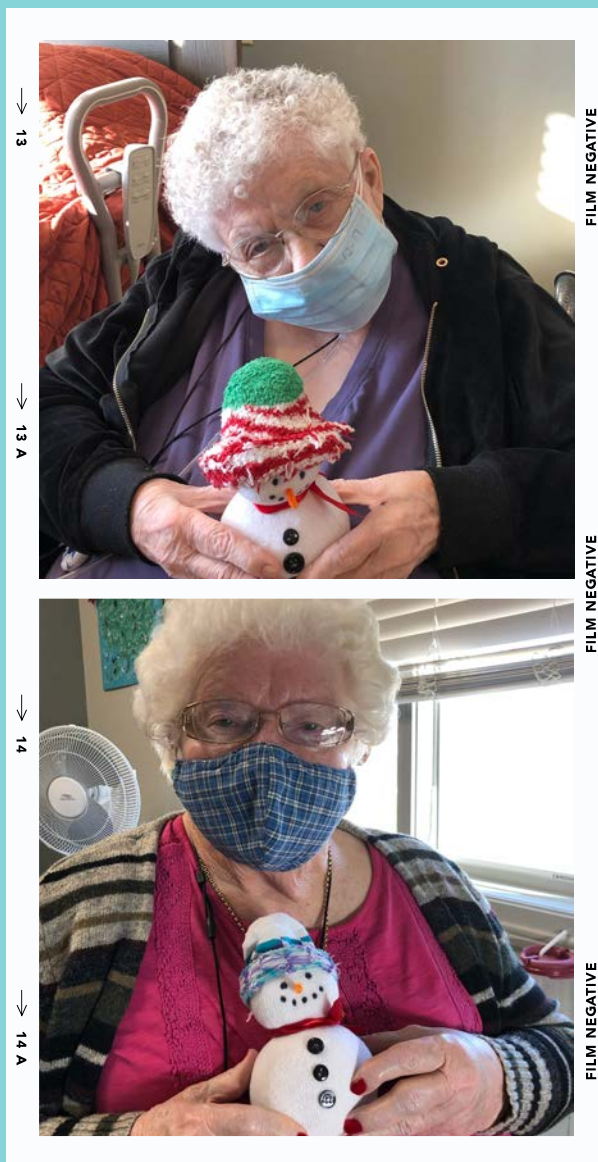

Dec. 8th – Dec. 18th at Yanney Park

Brookestone Gardens has participated again this year in the Annual Lights Festival at Yanney Park.

The lights are on from 5:30-8:30pm every night from the 8th-18th. There are many beautiful displays put on by schools, non-profits, businesses and other organizations from the Kearney area.

Ben has been planning on taking residents out to see the Christmas lights this season and I'm sure that this is one they will check out.

NEW PHARMACY

Yesterday was the day that we switched to our new pharmacy, Senior RX Care. A letter was sent last month to primary contacts and responsible parties to alert them of the change. This decision is the result of more than a year of research by Vetter Senior Living, guided by our vision of quality care and stewardship. We are looking forward to a smooth transition!

It was very busy all day however the planning has been going on for quite some time so that we could have a seamless change-over. There were people here from the new pharmacy, people from our Home Office and of course all of our team members as well.

Who's Who at Brookestone

Katelyn - Administrator
Lacie - Director Of Nursing
Danielle - Asst. Director of Nurs.
Jonna - AL/IL Coordinator
Sasauna - Social Services/Skilled
Kelly - Bus. Office Mgr/Billing
Angie - Dietary Manager
Ben - Life Enrichment
Kari - Medical Appts - skilled
Deb - PR AL/IL Admissions

Due to Thanksgiving being on the last Thursday of the month in November, the Meet and Greet in Assisted/ Independent Living was moved to the next week, which means that we will be having 2 of them this month, however nobody will complain because it has become one of everyone's favorite things to do. Our Dietary Manager, Angie always makes the food and drinks and everyone raves about it. This month however we were told that residents can't eat at a social activity, but only at regular meals, so that if we need to, we can trace in case of an exposure.

Angie said not to cancel, but she could improvise and then we had To Go boxes that everyone could take home after we were done visiting with Tex and Pauline, our newest residents. They had tortilla pinwheels, homemade fudge, choc. chip zucchini cake and many other goodies. It's a great way to get to know the new residents and find out more about those already here. It is a small world after all. Each month our turn out gets better!
